BRAND STORY

The Vibe: Live the High Life

Welcome to The Vibe, where luxury living reaches new heights in Zirakpur's tallest towers. With over 15 years in real estate, including a decade of active development, our portfolio boasts esteemed projects like Medallion, Aurum, La Prisma, Uptown Skylla, and Amelia Estate. Experience the essence of luxury living at The Vibe, where comfort, convenience, and community come together in perfect harmony.

DISCOVER THE VIBE

Conveniently located along the Chandigarh-Ambala Highway, this remarkable residence offers seamless access to PR-7, Chandigarh International Airport, and the Shimla By-pass Road, blending modernity with nature for an exceptional living experience. Spanning 10 acres, The Vibe features 648 flats, creating a vibrant community that meets both residential needs. Discover a lifestyle where elegance meets convenience.

NATURE AT YOUR DOORSTEP

At The Vibe, we believe that luxury and nature can co-exist harmoniously. Our expansive green park, spread across nearly 2 acres, is one of the largest in the Tricity, providing residents with serene spaces for leisurely strolls, family picnics, or quiet moments in a gazebo. Experience the beauty of nature just outside your door, inviting relaxation and rejuvenation.

DEDICATION TO SAFETY & EXCELLENCE

At The Vibe, we prioritise your needs, focusing on luxury, safety, and convenience. Our commitment to safety includes a 3-tier security system throughout the compound, ensuring peace of mind for all residents and promoting a harmonious living environment.

A COMMUNITY CENTRIC LIFESTYLE

Living at The Vibe means more than just having a home; it's about becoming part of a vibrant community. Our large clubhouse with amazing amenities for social gatherings, commercial spaces for everyday needs, and ample green areas for relaxation offers you a space to live a high-quality life with a well-rounded lifestyle. Families will appreciate our kid-friendly amenities, ensuring a safe environment for children to play and grow.

THOUGHTFUL DESIGN & CONSTRUCTION

Our flats are crafted using state-of-the-art MIVAN construction, ensuring durability and high-quality living spaces that stand the test of time. Each east-facing apartment is designed to maximize natural light and ventilation while adhering to 100% Vastu principles, promoting a harmonious living environment.
